Children's Photo Shoot

- 1) The children's photo shoot is \$175, which needs to be paid at least one week in advance. When pre-payment is made, the payment is not processed until after the photos are taken. If pre-payment is not made, we reserve the right to reschedule you as needed. The price includes: the photo session, 4x6 photos and 50 composite cards.
- 2) The photo shoot is done both inside and outside. We ask that you bring three different outfits: Dressy (appropriate for church), Daytime wear (school clothing) and Casual (something they might wear to play in the park). The clothes should be dark or bright colors. This is not studio photography and we want to see them in a natural setting-playing, etc.
- 3) After you have received the 4x6 proofs and looked over them, you will need to call and set up an appointment with Linda. With Linda you are going to choose the pictures you want to have made into composite cards. The photos will then be sent to the printer to have the 50 duplicates made. This process will take approximately 10 days.
- 4) After the composite cards come back from the printers, we will call you. The agency will keep the majority of the cards to submit to clients. You may come to pick up a few to have on hand in case you are sent on an audition or interview.
- 5) You may order a CD of the images from your photo session for \$40.00
